SILICONE LUBRICANT

Silicone lube is great for oral sex because it's tasteless and gets even more slippery when wet. Just apply it before you go down to help produce more saliva for a super wet BJ. If your jaw gets tired, no worries, use your hands for a super slippery handjob! It's fantastic for regular sex too. Silicone Lube is long-lasting and never sticky, so it won't ruin your post-sex cuddle.

SIZZLE LIPS

Sizzle Lips is a warm, delicious love liquid designed to spice anything up. Drizzle a little in the right spot, then lick it off. Add heat every kiss by leaving behind a warm tingle wherever your lips go. Give him the hottest blowjob ever, literally.

TENGA FLIP HOLE

Handjobs are not just for teenagers. They can be a sexy way to please your partner. The Tenga Flip Hole has changed the way men pleasure themselves. Its tight yet soft material is, dare I say it, better than the real thing. The panels on the side of the toy allow you to control the tightness while creating reverse suction. That's right; this toy suck so you don't have to. Use this toy as a sexy tool for teasing your man. You can bring him to the edge of orgasm or go all the way!

WE-VIBE VECTOR

The We-Vibe Vector can provide that something extra that you can't get with oral sex alone. Adding a prostate massage to a blowjob can lead to bigger orgasms both in size and power. If you're a guy that can't get off from oral alone, the We-Vibe Vector can be just the ticket to O-town!

WE-VIBE VERGE

The Verge is a unique vibrating c-ring. It fits around all of the external genitals, and the main part of the vibrator sits between his legs. The Verge sends deep, rumbling vibrations that travel through the body to stimulate the prostate indirectly and turns his penis into your new favorite vibrator. That's right; his penis will vibrate! The coolest feature of the Verge is the app you can download to your phone, turning the Verge into the first-ever men's vibrating undies. Guys—put on the Verge before you go out for the night and let your partner tease you for a change; it can be a lovely reminder that if you are on your best behavior, you'll earn a reward when you get home.
