WICKED TOY LOVE

Since the best way to stimulate the G-Spot is through pressure and repetitive massage, you will want a thick and slippery lubricant to provide cushion and reduce friction.

INTIMATE EARTH DISCOVER

Not sure if you can have a G-Spot orgasm? Try intensifying your experience with Intimate Earth Discover. Discover is a stimulation gel made from an organic blend of Japanese peppermint oil for tingle and L-Arginine to increase blood flow to the area. Combined this magic potion boosts sensitivity and heightens arousal so you can achieve that illusive and powerful G-Spot O-O-Orgasm!

FEMME FUNN CADENZA

This unique toy provides a powerful thrusting motion designed specifically for G-spot stimulation. The Cadenza has deep ridges for her pleasure and a dramatically curved tip that hits the spot. Unlike other G-spot toys, this toy is basically doing the work for you, just turn it on and enjoy yourself.

NJOY PURE WAND

Nicknamed 'The Juicer' because more women have experienced a squirting orgasm with this toy than any other! The Njoy Pure Wand is stainless steel, which means its never going to break and you can use either of its two rounded heads to apply all the pressure your partner requires to give her the strongest squirting orgasm ever.

LAY-ON RABBIT

For some, finding the G-spot is difficult; so the more aroused you are the better. The Lay-On Rabbit is a clitoral toy that provides a surround sound of strong vibrations perfect for getting you turned on, warmed up and ready.

WE-VIBE CHORUS

This couples toy is designed to stimulate both the clitoris and the G-spot at the same time while making love to your partner. So, if you want to experience an earth-moving orgasm like none other, this is the only product that promises the constant stimulation required to rock your world!
