

Everything You Need To Know About The Clitoris

PRODUCT RECOMMENDATIONS

BELLA AMORE PASSIONALE CBD-INFUSED LUBRICANT

Touching a dry clitoris can be painful. Even if you think you produce enough lubricant, adding extra can completely change your sexual experience. We recommend Bella Amore Passionale. This CBD-infused hybrid lubricant has the perfect blend of water and silicone-based lubricants to help stay slicker longer. The hemp derived CBD acts as an anti-inflammatory, while encouraging blood flow for optimal sexual wellness and pleasure. *(Not safe for use with condoms or barrier birth control methods)*
