## PRODUCT RECOMMENDATIONS

### WICKED TOY LOVE

Wicked Toy Love is a water-based gel lubricant. Perfect for all kinds of sex play but exceptional for use with sex toys. Wicked Toy Love is thick and concentrated, so you don't have to use much, although you can use as much as you like. The thickness of the lube creates a wonderfully slick barrier between your skin and the texture of the toy, so there is very little friction and a whole lot of pleasure.
