

# Operation Hot Rendezvous

Dinner and a movie is a great and classic date, but it can get stale after a while. Spice things up with one of our sexy scavenger hunt style date ideas below. Each idea can be tailored to you and your partner to create moments that range from oh so sweet to so so hot!

---

## UNWIND

- Make your partner's favorite drink or cocktail.
- Leave it, along with a note, telling them that you want to make tonight all about them.
- Lead them to the bathroom, instructing them to get naked all along the way.
- In the bathroom, have a hot bubble bath, their favorite candles, a new book or sensual music playing, and a bell that they can ring if they need anything.
- Leave them to relax. After about 30 minutes, present them with a cozy new robe and slippers.
- When they are ready, blow out the candles, help them towel off.
- Lead them to the bedroom for a full body massage with their favorite massage oil.

## FIND ME

- Create 3 - 4 clues about different locations for your partner to find. Make the clues tricky enough to keep them guessing, but not so hard they get lost. Have a few hints ready if they can't figure out the clue.
- The clues could be about where you had your first date, your first kiss, their favorite bar, etc. The possibilities are endless.
- Text them the first clue.
- Have them take a photo of themselves at each location to receive the next text clue.
- The final clue should lead to the spot where you are waiting to give them a super hot night.

## OH MY!

- Sex starts with the brain. Text your partner a few sexy texts during the day.
- On their way home, text them to look for the note by the door.

- This note should lead them to another note, and then another.
- Each note should get more and more scintillating as they go.
- In the end, the notes should lead to you, naked or in a sexy outfit, ready to make their night!

## BETTER TOGETHER

- Create a list of sexy or sensual items that you and your partner will go find or buy together.

### Examples:

- a sexy movie
  - massage oil
  - chocolate dipped strawberries
  - sexy outfits for each other
  - a sex toy or naughty game
  - drink of choice
- When you get home use those items to have a sexy romantic night!

## HAPPY ENDING

- Create a sexy list of items for each of you to find or buy.

### Examples:

- Lubricant
  - Sexy outfits for each other
  - Your partner's favorite sensual food/drink
  - Something to tie your partner up with
  - Something to tease your partner with
  - Sex toy and/or naughty game
- Set a time limit and an ending location.
  - Split up and see who can find the most of the items in the time limit given.
  - Tease your partner with texts about what you may or may not have gotten.
  - Once time is up, head to the ending location. Have fun with all the things you bought!
