

# Talk Sexy to Me Pt. 2

Now you know which words turn your partner on, but in what context do you use those words? Rate the following words and/or phrases on a scale of 1-10, 10 being super arousing and 1 meaning it's a mood killer. Use the blank spaces to fill in your own. Then, take what you learn and craft a steamy story. Print two copies of this worksheet: one for you, and one for your partner.
